Freddy Charles
Director of Sales & Marketing
Brooks Tower Condo Suites
1020 15th Street, Denver, Colorado.

Dear Freddy,

I would like to express my thanks for everything during our recent stay. As you are aware, I along with several other members of the Vertex Team had the opportunity to stay at the Brooks Tower in downtown Denver for the Democratic National Convention.

Our decision to attend the convention was made at the last moment and we had initially struggled to find accommodations. Through a close and trusted associate I was fortunate enough to speak with you at the Brooks Tower in Denver, Colorado. You and your group guided me through the process and within a few days we had secured accommodations at the Brooks Tower that afforded my group and I the access to everything we needed for the event.

Our stay was an enjoyable one and our accommodations were excellent, particularly given its location to the Convention Center. Should the opportunity present itself again I would definitely reach out to Freddy and his Team to stay at the Brooks Tower.

My thanks again for the attention to detail, outstanding accommodations and willingness to work with me for my needs during our stay.

A handwritten signature in blue ink, appearing to read "Hamilton Mixon".
